

Certificate of conformity of the factory production control

1608 CPR P183

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the constructions product:

Steels for quenching and tempering for construction purposes

whose characteristics are detailed in the attached annex,

produced by or for

Acciaierie Venete Spa

Via Riviera Francia 9/11 35127 Padova PD - IT

and produced in the manufacturing plant(s)

Camin PD - IT

This certificate attests that all provisions concerning the assessment and verification of performance described in Annex ZA of the standard

EN 10343:2009

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on **26/07/2016** and will remain valid as long as the test method and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

Current issue: **26/07/2016**

The Director
Ing. Dario Agalbato
